Sir:

Enclosed is an annotated copy of the Official Filing Receipt dated July 14, 2006. The annotations are marked in red to show corrections that are needed. The corrections are as follows:

Please change the date of the foreign application from 01/14/2003 to 01/14/2002.

In our First Request for Corrected Official Filing Receipt submitted on August 19, 2005, we requested that the date of the foreign application be changed from January 14, 2002 to January 14, 2003. In a Second Request for Official Corrected Filing Receipt (Second Request) submitted on May 5, 2006, we requested that no changes to the date of the foreign application be made. The corrected filing receipt issued on July 14, 2006, indicates that the date of the foreign application is January 14, 2003. Because this date is incorrect and not in accordance with our Second Request, this Third Request for Corrected Official Filing Receipt is submitted to change the date of the foreign application from January 14, 2003 back to the originally listed date of January 14, 2002.

Issuance of a corrected Official Filing Receipt based on this Third Request for Official Filing Receipt is respectfully requested.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please mail to the Commissioner for Patents P.O. Box 1450 Alexandria Va 22313-1450. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
